PLEASE NOTE: This is our anticipated schedule and is subject to change should construction delays occur. Please check back or call the store to confirm hours of operation and clinic schedule.

BASIC TECHNIQUE CLINICS are FREE and do not require preregistration. Management reserves the right to limit seat time for individual learners during free clinics to accommodate as many beaders as possible.

SPECIFIC PROJECT CLINICS are FREE but require PREREGISTRATION on a first-come, first-served basis. Participants must own, purchase or download a copy of the required directions (due to copyright requirements) and bring that copy to the clinic. Participants in Designer Series Clinics must purchase the kit.

MATERIALS FOR ALL CLINICS ARE EXTRA and **MUST BE PURCHASED AT BEADS EAST**, preferably before class as time is limited and instruction will begin promptly. Participants may **NOT** bring their own beads to class. Selling the beads helps to defray the cost of providing FREE instruction.

CLASSES require PAID PREREGISTRATION. If you cancel more than one week in advance of the class, a full refund will be issued. If you cancel within a week of the class date, we will attempt to place you in the next available slot for that class on a priority basis.

If you are unable to attend a clinic/class for which you are registered, please call us immediately at 860-649-2323
